ORDER

THIS MATTER is before the court on defendant's *pro se* Motion for Early Termination of Supervised Release. In that motion, defendant states that his supervision officer has told him that he would support early termination. This motion will be denied without prejudice as the proper method for early termination is for the supervising officer to apply to the court for early termination. Having considered defendant's motion and reviewed the pleadings, the court enters the following Order.

ORDER

IT IS, THEREFORE, ORDERED that defendant's *pro se* Motion for Early Termination of Supervised Release (#371) is **DENIED WITHOUT PREJUDICE**.
